ESCAPE

Explore your senses by uncovering a Fort Lauderdale beach resort that embodies oceanfront luxury. Unwind under the expert hands of our spa therapists at our destination spa featuring wet areas, hair and nail salon, relaxation room and an intracoastal water view fitness center.

Fort Lauderdale has been home to native tribes for centuries to which the corn harvest was of great importance, as it symbolized both their spiritual and physical needs. At harvest time, these tribes celebrated a cleansing ritual called the Green Corn Ceremony. This belief in the cleansing benefits of this ancient ritual is respected in our local experience, the Cleansing Ceremony.
