GLASS-BOTTOM BOAT EXPEDITION

A unique and informative voyage with a fish-eye view of the reef

Explore Grand Cayman's reefs and marine life in a whole new way! Join Ambassadors of the Environment on a modern hydrofoil boat as we cruise through our famously clear waters. Experience Cayman's historical shipwrecks, colorful reefs and active marine life—all magnified to twice its normal size through a 6-foot curved glass-viewing dome.

On this voyage, a passionate Jean-Michel Cousteau Naturalist will be on board who will inspire and educate you about the abundant ocean creatures.

**Contact Ambassadors of the Environment for weekly
schedule at caymanambassadors@ritzcarlton.com or call
(345) 815 6120**

**Discover
Cayman's reef like
you've never seen
it before!**
