## MENU OF SERVICES

### THE GRANDE SHAVE

Our signature treatment begins with a luxurious facial cleanse, massage and hot towel. Next, shave tonic prepares the skin and our hydrating cream is applied in a rich hot lather. Our Craft Barber uses a straight razor, with and against the grain to ensure the perfect shave. A second, essential oil infused hot towel is applied followed by our after shave mask. A cool towel leaves you refreshed. This gentleman's treatment concludes with a nourishing after shave balm and moisturizer. 60 minutes, \$65
