CLEAN SLATE

At the helm, the watch
keeper would record details of
speed, distances, headings, etc.,
on a slate. At the beginning of
a new watch the slate would be
wiped clean.

Jackline

Lines, often steel wire with a plastic
jacket, from the bow to the stern on
both port and starboard. A crewmember
clips his safety harness to a jackline,
allowing him to walk along the deck
while still being safely attached to the
vessel.
