

WELCOME TO SPA BOTÁNICO

Integration with the natural world is an essential component of Spa Botánico. The journey begins the moment you enter the Apothecary portal, filled with local botanicals used in a myriad of ways for health, beauty and culinary purposes.

This magical room is a museum for your senses. Spa Botánico is a place to be savored; take a day and discover its enchantment as well as your own inner sanctuary.

Massages, facials and body treatments take place in highly appointed Spa Pavilions. Our Couple's Pavilions are designed for the romantics at heart where you can steam and bathe in tropical outdoor gardens.

Enjoy a Treehouse Massage in nature with trade winds wafting through the treetops.
