

# BLUE JADE

At **BLUE JADE** We are proud to take our guests  
on an enchanting journey through the East.

We highlight the diversity of flavors and aromas by combining the  
authentic flavors from Vietnam, Thailand, Singapore  
Japan & China with a contemporary approach & presentation.

The stone, **BLUE JADE**  
also known as the ultimate “Dream Stone”, is a talisman of peace and  
serenity. It calms and restores, like a veil of slow moving clouds  
covering the moon. It is widely used to tamper emotional  
upheaval and to restore equilibrium.
