SIGNATURE COCKTAILS

GOLDEN COCOA 130

Hennessy V.S.O.P white cacao liqueur, chocolate bitter

Golden Cocoa is inspired by the glamour of refined evenings, where every detail shines with elegance. The intensity of Hennessy marries the creaminess of white chocolate liqueur, while the chocolate bitters balance it all with a touch of bitterness. It is a cocktail that tells stories of luxury and indulgent pleasures, perfect for those who like to savor life one sip at a time.

WHITE EMBER 90

Vida mezcal del maguey, martini bianco, orange bitter

White ember is born from the encounter between two worlds: the smoky heat of mezcal and the aromatic delicacy of Martini bianco. A secret touch of orange adds a spark of freshness, like a white ember that burns slowly, ready to illuminate the night. It is a cocktail that celebrates contrasts: intensity and lightness, tradition and modernity. Every sip is an invitation to let yourself be enveloped by mystery and light.

SIGNATURE COCKTAILS

THE ESTATE 88

Gentleman Jack, aperol, spiced syrup, lemon juice, egg white

Jack Daniel's Distillery was established in 1866; it all started when Jack ran away from home after his mother and father had both passed away. Prior to his death, Jack's father remarried, but Jack despised his stepmother and was taken in by a local preacher name Dan Call. Call began teaching him about distilling, and in 1875 Jack founded a registered distilling business with Call using money from his late father's estate.

KEN-95 75

Woodford reserve, lemon juice, tobacco syrup, cranberry bitter, 7 spices

Kentucky boasts some of the richest most fertile soil in the country. Ideal for growing the major ingredients in bourbon, corn. It is the birthplace of bourbon, crafting 95% of the world's supply. The name "bourbon" was not applied until the 1850's and the Kentucky etymology was not advanced until the 1870's. Although bourbon can be made anywhere in the United States, it is strongly associated with the American South and with Kentucky in particular.

SIGNATURE COCKTAILS

HONEY DRIFT 80

Goslings black rum, honey syrup, lemon bitter

Born from the fusion of sweetness and character, honey drift tells of a tropical journey at sunset. Smooth Caribbean rum mixes with golden honey, a symbol of warmth and authenticity, while a touch of bitters represents the depth and challenges of the journey. Each sip evokes the dance between light and shadow, sweetness and strength, transporting you to faraway places.

PUMMELO 65

Pomelo infused gin, lime juice, honey, cucumber slice

There are 58 wild and domesticated citrus plants. They found that citrus spreads rapidly from its origins in Southeast Asia nearly 8 million years ago as monsoon rains weakened and a drier climate prevailed. The analysis showed that lemons, limes, oranges and grapefruits all trace some of their roots to three fundamental ancestors: citrons, mandarins and pomelos. In honor of one of the 3 OG's we have created our very own Pummelo.

SIGNATURE COCKTAILS

AMBER FIZZ 75

Tanqueray, lemon juice, date syrup, spices, soda

Inspired by the markets of ancient trade routes, the Amber fizz celebrates the meeting of exotic and refined flavors. Gin, with its complex botanical notes, blends with date syrup, a symbol of sweetness and oriental tradition. Selected spices and fresh lemon balance the richness of the drink, while the effervescence of the soda recalls the lightness and elegance of a journey to distant lands. A cocktail that tells of discoveries, encounters and cultures that intertwine in a refined sip.

BERRYWOOD 75

Hendrick's grand cabaret, lemon juice, berry cordial, ginger ale

The Berrywood is a modern cocktail that combines the richness of gin with the freshness of berries. Created to enhance the contrast between the aromatic notes of gin and the natural sweetness of the fruits, it represents an elegant meeting between nature and contemporary mixology. The name recalls the purity of the ingredients and the freshness of the woods, making it a sophisticated and vibrant drink.

NEW WORLD CIGARS

DOMINICAN REPUBLIC

Vivonté

Father and Sons shared an aspiration to create Vivonté, the cigar cure for life's special moments. It took almost a decade for their vision to take shape. While they had decided early on that they wanted to use the Dominican Republic's world-renowned tobacco, their journey has also taken them to Ecuador and Nicaragua in search of the best of the best.

The flavors unique to Vivonté's carefully selected tobacco combinations will transport you to places no ordinary cigar has taken you before. For the good things they share, we are pleased that you have accepted our invitation to enjoy the delicious, velvety smooth indulgence of Vivonté.
