## THE RITZ-CARLTON, PORTLAND ANNOUNCES INTIMATE SANCTUARY FOR HEALTH AND WELLNESS: CLOUDBREAK ON NINETEEN

*The Luxurious and Serene Spa Escape is the Perfect Retreat to Nurture the Mind, Body, and Spirit*

**PORTLAND, OR (December 15, 2023)** – The Ritz-Carlton, Portland, the Rose City’s luxury, urban hotel, debuts wellness haven, Cloudbreak on Nineteen. Situated on the 19<sup>th</sup> floor of the 35-story, 251-room hotel, Cloudbreak on Nineteen is a luxurious and restorative health and wellness retreat complete with a world-class spa inspired by the unfolding petals of a Portland rose; a 4,000 square foot, state-of-the-art fitness facility; and the Hidden Mountain Lake Infinity Pool featuring panoramic views of the Cascade Mountain Range.

“We’re thrilled to offer an oasis of tranquility and rejuvenation to our guests,” said General Manager Marie Browne. “Keeping in theme with the hotel’s Portland personality, the curves, and folds of the spa’s rose-inspired interior is a stunning reflection of the Pacific Northwest and a nod to our Rose City itself. Our incredible massage therapists, estheticians, and spa team will ensure that each guest’s experience is a relaxing moment to remember, and we look forward to welcoming patrons beginning December 15<sup>th</sup>.”

Infused with the natural abundance of the Northwest, the tranquil spa retreat offers world-renowned treatments and experiences by ESPA, rejuvenating both the body and mind. Guests can enjoy a calming massage, facial or body treatment as well as a selection of amenities including steam and sauna rooms, a snow shower emulating a cold plunge, private relaxation pods, a co-ed relaxation lounge, nail services, and a spa retail boutique.

Cloudbreak on Nineteen features five treatment rooms with unique and locally inspired treatments such as the Return to Nature CBD Massage, the 24k Rose Gold Body Indulgence, the Men’s Power Hour, and the Enchanted Love Ritual offered in our exclusive couple’s suite. This restorative escape also offers age-defying skin products and result-oriented treatments such as the Art of Wellness Massage, the Ultimate

Radiance and Renewal Facial, and the Organic Botanical Manicure and Pedicure, delivering unparalleled experiences to spa guests.

With the hustle and bustle of daily life, Cloudbreak on Nineteen has something for everyone with the Timeless Capsule, designed as a flexible respite for those who want to experience the spa but have limited time. Guests can immerse themselves in soft lighting, soothing sounds and refreshing scents for 25-minute experiences and enjoy a moment of relaxation in the antigravity chair, or be transported to another place with sound healing.

Beyond the cocoon of the spa's interiors, guests can re-energize with a swim in the Hidden Mountain Lake Infinity Pool. This zero-edge infinity pool is encompassed by three sides of floor-to-ceiling glass, offering guests expansive views of Mount Hood and the Cascade Range in the distance. Guests can retreat to light-filled areas and relax on chaise lounge chairs or soothe tense muscles in the whirlpool after long days of hiking in Forest Park, playing 18 holes at a favorite golf course, or exploring in the nearby mountains.

In nourishing the mind, body, and spirit, Cloudbreak on Nineteen empowers guests to achieve their goals and add balance to their lives with the fitness center featuring top-notch equipment favored by professional athletes. Bathed in light with floor-to-ceiling windows, the fitness facility is an open space environment where guests can access state-of-the-art cardio, strength-building, and "smart" equipment from TechnoGym or quiet the mind with a calming meditation in the private movement studio.

This holiday season, give the gift of relaxation with the Cloudbreak on Nineteen experience. Add an e-gift card to your seasonal shopping list by purchasing at [gifts.marriott.com/](https://gifts.marriott.com/) or by contacting the spa directly at (971)-900-4500 ext. 4435. Limited appointments are available between December 15 - January 8, advance reservations are required.
