Discover the unparalleled beauty of Krabi as you explore the limestone islands.
Sailing in the Andaman

Explore the pristine islands of the Andaman Sea on a sailing trip and indulge in a refreshing swim in the turquoise waters. The stunning natural beauty of the limestone cliffs, soft sandy beaches, and tranquil lagoons will leave a lasting impression.

Hong Island
The word “hong” means room, because the shape of this island forms a small, secluded lagoon, with clear blue waters perfect for a relaxing swim.

Phi Phi Island
Phi Phi Island is one of Krabi’s most scenic destinations, where towering limestone cliffs form intricate caves and lagoons perfect for snorkeling and exploring.

Four Islands National Park Hopping
Take a trip to the famous islands around Ao Nang and explore underwater snorkeling spots, glistening beaches, and ancient caves.

Phang Nga Bay
This calm bay features hundreds of limestone islands formed over millions of years. The bay was made famous when the James Bond movie ‘The Man with the Golden Gun’ was filmed there.

Fishing Trip
Enjoy an incredible sailing and fishing adventure around Koh Haa, where crystal clear waters reveal the teeming schools of fish below.
The warm, clear waters surrounding the tropical islands of Krabi are alive with coral reefs and colourful fish, and offers some of the best dive sites in Thailand. Embark on an underwater adventure and discover the clownfish, moray eels, and even spotted leopard sharks that make their home amongst the sponge coral and anemones.
