

Take Flight

Our wines are carefully selected to provide you with a sense of place in your glass. The differences in regions as well as winemaking techniques will reveal the subtle differences that you might have otherwise missed, which is why the experience is so educationally compelling.

We preserve our wines with the Coravin; a tool that allows us to proudly showcase our high end selections and offer this to you by the glass.

Chardonnay Flight 39.

Talbott, "Kali Heart", 2016, Santa Lucia Highlands, California
